

MEAL VOLUNTEERS

Thank you for volunteering your time and talents to serve a meal to our students. Meals are a critical part of our program activity because for some of our students, it's the one meal they can count on outside of the school day.

When you arrive on our campus at 2301 Hickman Road (just west of MLK Blvd.), you may unload near the southeast door of the Worship Center. Please leave spaces adjacent to the Worship Center free for vans returning from school pickup routes. You may park in any open space on the south side of our buildings, or at Freedom Blend Coffee, next door at 2329 Hickman Road.

If you're arriving to serve, please park your car and then enter at the southeast door of the Worship Center.
